

Builder Program

We now help over 20 builders here in Central Arkansas protect their homes with our state of the art security systems. Better yet, our prices have been found to be nearly half of our competition.

We offer many other services such as home theater, custom audio, intercom, telephone and cable connections and much more. Check out our basic pricing packages below. Call us today!

Basic Security System – All doors and windows, 2 keypads, 1 motion, 1 siren	\$899
