

Honeywell Vista 15 System Cheat Sheet

IN ORDER TO ARM THE SYSTEM YOU MUST GET A GREEN READY LIGHT ON THE KEYPAD! IF YOU DO NOT HAVE A GREEN READY LIGHT, PRESS THE * BUTTON TO SEE WHAT ZONES ARE OPEN

Leaving Home? Press # then **2** (AWAY). This arms the entire system for AWAY mode which activates the motion detector.

Staying Home? Press # then **3** (STAY). This arms the entire system for STAY mode which deactivates the motion detector.

Disarm System? Press **your 4 digit code** then **1** (off). If you entered your code correctly, the system will make one "beep".

Alarm Occurred? Press **your 4 digit code** then **1** (off). **DO THIS 2 TIMES!** Failure to disarm 2 times will result in inability to re-arm system!

Change Code? Press **your old code, 802** then **your new 4 digit code 2 times**.

Example: Old code: 1234 New code: 5678

Sequence: 123480256785678 Will hear "beep" when correct.

Fire Panic Button: In case of FIRE EMERGENCY press & hold **FIRE for 2 seconds**.

Police Panic Button: In case of EMERGENCY press & hold **POLICE for 2 seconds**.

Medical Panic Button: Need ambulance? Press & hold **MEDICAL for 2 seconds**.
